

THE COMPLETE BLACKOUT BLIND

LITETITE® is a complete blackout blind that is housed in a protective anodised aluminium cassette, with inner and outer aluminium side channels that prevent light from entering.

As with all Solar Solve products, LITETITE® is designed with customers in mind to ensure that it is easy to install and operate. It comes with two systems, one for inside the recess and the other for outside the recess. When placing an order, please indicate which system you require.

With high-quality custom-made products, fast delivery, exceptional packaging, spare parts included, excellent after-sales service, and a 1-year Guarantee, it's an ideal solution for anyone looking to create a comfortable and private room environment.

Benefits of LITETITE® include:

- Inside and outside recess fitting
- Better sleep quality
- Straightforward to install
- Flame retardant and type approved, ensuring safety and reliability.
- 1-year guarantee
- Free spare parts with every order
